GOOD NEWS ACROSS MOLDOVA 2015 (6-10 July)

It is wonderful to experience the joy and awesome grace of being a co-worker together with God. He has blessed and helped us in such a way that we have been able to begin the necessary preparation for Good News across Moldova. Praise God because He works in wonderful ways and help's us as we prepare necessary materials. Some of the materials in the Romanian language are already prepared. Pray for us as we finish off what still needs to be printed - especially the Russian materials.

Let us give thanks for the church promotional meetings that we were able to have in the Stefan-Voda area together with the Dolghier and Patranjel families (they are our colleagues in CEF). Let us pray that God will move the hearts of His people to have the desire to be involved in this special project. Every church that plans to evangelize children in their communities must send 3-4 volunteers to be trained. Pray with us that God will provide the finances needed for the evangelistic materials for the volunteers. It costs 1500 lei (75 euro) to prepare 30 sets of lessons (or €2.50 to equip one volunteer).

Let us also pray for children who will be attending the open air evangelistic clubs that God will prepare their hearts and speak to each according to his need.

It is our desire to be able to give the children who will attend the 5 Day Clubs a small gift on two of the days - one day a packet of biscuits and on another day an icecream. In order to do this we need 7 lei (€0.35) for each child. We anticipate up to 1000 kids attending the clubs. Would the kids in your church be willing to give up one ice cream this summer (or maybe even two) and give that money so that children in Stefan Voda being reached with the Gospel through Good News Across Moldova could receive such a gift?

Please pray with us that God will provide the required amount:

- 1500 (75 euro) for the evangelistic sets of lessons.
- 7000 lei (350 euro) for small candy/icecream gifts for children.

We pray and believe that God will work wonderfully through His wonderful people and that He will provide the money until the end of June when the project will begin.

Let God be praised and glorified in our lives and in everything that we do.
